Activate the account using the OTP sent to registered email id

Sign in with registered email id & password, it will redirected to Dashboard

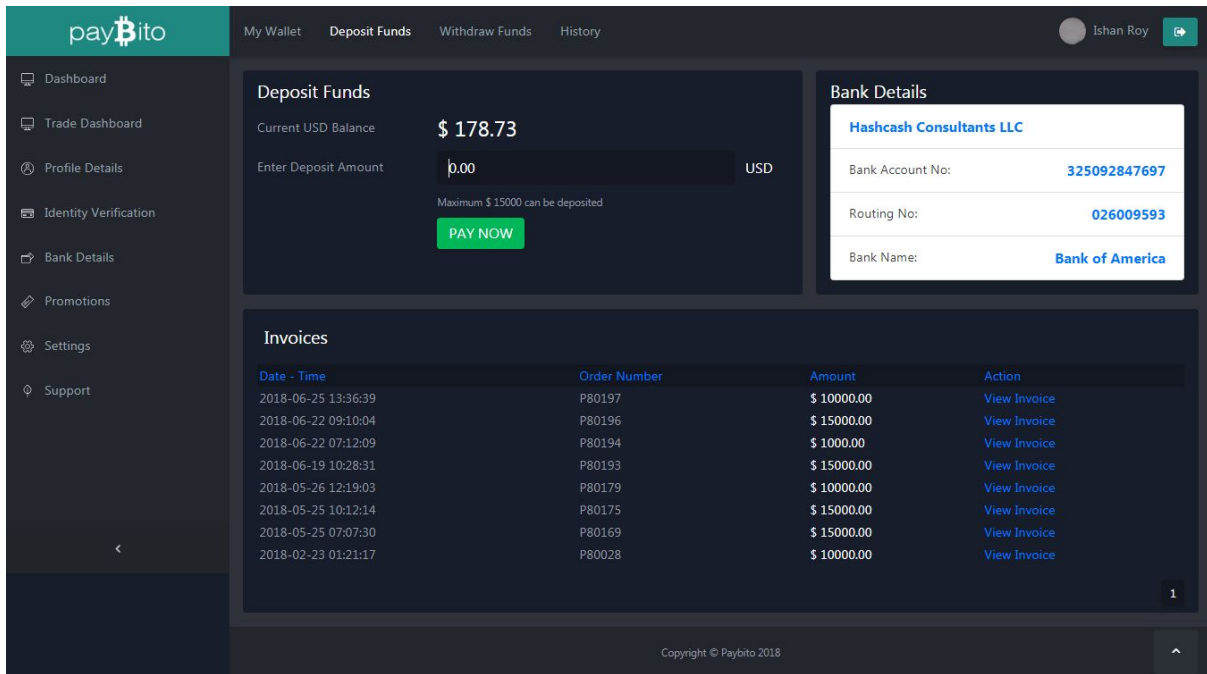

2. Dashboard

See the price for all the listed assets in the Last 3 Months / 1 Month/ 1 Week. Asset and duration can be selected from the drop down menus at the top. On the right, option for buy & sell for all listed asset.

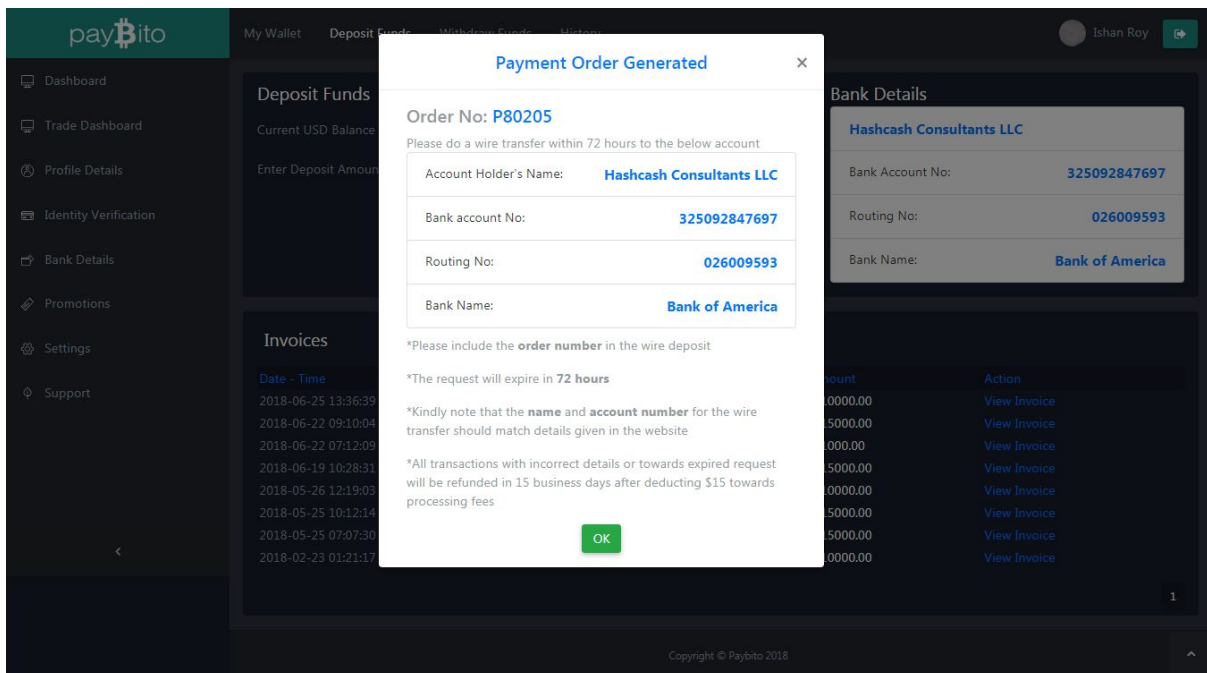

3. Deposit Funds

Deposit funds in USD, Maximum \$15000 can be deposited. Users can also check their invoices

Enter the amount

- Include the order number in the wire deposit
- The request will expire in 72 hours
- Kindly note that the name and account number for the wire transfer should match details given in the website
- All transactions with incorrect details or towards expired request will be refunded in 15 business days after deducting \$15 towards processing fees

4. Withdraw Funds

Minimum of \$ 500 and Maximum \$ 25000 can be withdrawn, 1.49% transaction charge is applicable.

The screenshot displays the 'Withdraw Funds' page on the payBitto platform. The user's current USD balance is \$178.73. The withdrawal amount is currently set to 0.00 USD. A green 'WITHDRAW' button is present, with a note indicating a 1.49% transaction charge is applicable. The page also shows the customer's bank details for Wells Fargo, including the account holder's name (Ishan Roy), account number (78978700), routing number (873992), and bank name.

5. My Wallet

Check the balance in this section

The screenshot shows the 'My Wallet' section of the payBitto interface. It displays the total USD balance as \$178.73. Below this, there is a table listing various assets and their balances:

Asset	Balance	Action
BTC	212139.705161	SEND RECEIVE
BCH	0	SEND RECEIVE
HXC	0	SEND RECEIVE
IEC	10705.5555256	SEND RECEIVE

Below the table, there is a section for 'Wallet Transactions History' with columns for Date - Time, Description, Type, Asset, and Status. There are 'SEND' and 'RECEIVE' buttons at the top right of this section.

6. Transaction History

Monitor the transaction history for all asset in in last week/ month
